

NCMIC Scholarship

Congratulations NCMIC

Scholarship Winners!

We are pleased to announce the winners of the 2010 NCMIC Scholarship which recognizes one student leader at each chiropractic college in the U.S. Winners received \$1,000 from NCMIC to help meet the financial obligations of completing their chiropractic education

Eligible students were required to be within 18 months of graduation as of the application deadline, have a minimum 3.2 GPA, provide two faculty recommendations and write a 500 word essay explaining their leadership style and how they see themselves contributing to the chiropractic profession following graduation.

It's inspiring to see students like these who exemplify the leadership skills necessary for the continued success of the profession. Since our beginnings in 1946, NCMIC has worked diligently to support the chiropractic profession in many ways. Helping students through various programs – including this scholarship – are critical to the success of D.C.s everywhere.
